OUR STORY

FRESHLY MADE. NEVER FROZEN. ALWAYS WITH LOVE.

Burgerium was born from a simple belief — that a great burger starts with great ingredients. Every bun we serve is baked fresh in our own kitchen. Every patty is hand-pressed and cooked to order. Every sauce is crafted with our secret recipe, perfected over time.

We source the freshest vegetables, the finest cheese, and premium quality meats — because you deserve nothing less. From our kitchen in Nungambakkam, Chennai, we bring you burgers that are honest, flavourful, and made with pride.

We are not a quick service restaurant. We take our time because good food cannot be rushed. Every order is prepared fresh — just for you.
